MEET YOUR ANCESTORS

The Bynums from N.C. to Jones County, Miss.

By Dr. Betty Drake

The Bynum family who settled in South Mississippi was from Orange County, N.C. The patriarch of the family was William A. Bynum, Sr., who was born about 1763. His first wife was Anna Kirby, who was born about 1770 in Orange Co. The family was in Covington Co. by 1819. The family lived in Covington, Jones and Clarke Counties.

Their children were as follows: (1) William A., Jr., b. 1795 Orange Co. and died in 1868 in Covington Co. He married Mary Dossett and both were members of the Providence Church. (2) John, b. 1797 N.C., married Catherine in N.C. about 1819. (3) Mark, b. 1801 N.C. or S.C. and died between 1860-1869. He married Elizabeth Mitchell in Jones Co. 1824. (4) Jesse, b. 1803 N.C. or S.C., married Lydia Smith in Covington Co. 1824. (5) Anna, b. 1805 N.C. or S.C. and married a Blackwell. She may not have moved to Mississippi. (6) Drury, b. 1806 in N.C. or S.C., married Judith Welch in 1832 in Jones Co. and both died in Clarke Co. Miss. (7) Sarah Nancy, b. 1811 Tenn. who died in 1867. She married Vincent Allan Collins in Jones Co. in 1838. (8) Benjamin Franklin, b. between 1808-1813 in Maury Co., Tenn. and died in 1871. He married Margaret Peggy Collins, daughter of Stacy Collins.

William, Sr. second wife was Sarah. Two children were born to them, Tapley, 1837-Civil War casualty 1874, who married Elizabeth Mauldin in Jones County. The second child, Charly, was born in 1839. Sarah died having this child.

Mrs. Ruby Bynum Sanders, Rt. 11, Box 468, Laurel, Miss. 39440 would like to hear from anyone researching this family. She may be reached by phone at 425-3961.

NOTE: In this sketch of the Bynums, A South Carolina birthplace was mentioned but the locale in S.C. was not given. Perhaps someone can help with this piece of data.

FAMILY TREE TOPPER: A new issue of this free periodical has arrived and it has a number of interesting items. If you have or plan to use English records it will help to know some civic terminology. This is new to me. A "hamlet" has no Episcopal church. A "village" has one and a "town" has a royal charter to hold markets and will have an Anglican bishop.

PUBLISHER OF FAMILY HISTORIES: A card to Family History Publishers, 845 Main Street., Bountiful, Utah 84010 will get you a brochure (free) which will explain how you may get your research published.

CREEK INDIAN RECORDS: Antique Computing, P.O. Box 36335, Pensacola, Fla. 32516 is offering a full-name index to records of the Eastern Creeks. Their ad says the names are taken from the register of Creeks in South Alabama and West Florida and other eastern states. The index sells for \$28.

information. GOOD LUCK. Walter.

Dixie, I have a book on Bynums and it states that the parents of Asa, Rebecca, John, Cynthia, James, and Isaac Bynum was Isaac Bynum b late 1750s. He moved his family to SC c 1794, to TN c 1807, and then to AL. He seems to have removed to AL before 1820, first to Blount Co., and then to Jackson Co, where he evidently died shortly after 1840. Isaac had at least two wives whose names are unknown. Isaac was the son of William and Mary Bynum. William and Mary had these children:

1. John Bynum b. c 1757 NC m Elizabeth Sear
2. Isaac Bynum b late 1750s m two wives
3. Jesse Bynum b c 1765 m. Jane Benefield
4. Benjamin Bynum b late 1760s m ? (My line of descent)
5. Rebecca Bynum m. James Powell.

Isaac's son, James Bynum, married Susannah Childress. They had: 1. John W., 2. Isaac, 3. Tucker W., 4. Jesse Bynum. If this is your family, I have lots more, and will be glad to share. Most of the people above eventually went to AL. Mine didn't. The father died in TN, so that's where the family stayed. The children moved on to AR and TX. Let me know and I will run off mucho pages on this Bynum line.

Hope we are cousins, Darla
